ABOUT ME

I am Rachana majoring in computer science at Royal University of Phnom Penh. I have a strong interest in computer science. I have an adaptive ability to learn new things, have a creative mind, and be good at problem solving. and now I am looking for new work and new experience.

VOLUNTEER EXPERINCE

Cambodian Red Across.

I was working as a volunteer by joining the Cambodian Red Cross when I was in high school and doing some activities like:

- Collect the trash, by the way, when we have a sea festival.
- Help organize in Khmer New Year.
- Join some programs with the Cambodian Red Cross.
